

CISCO NETWORK ASSOCIATE

Instructor, Information and Communication Technology

Certificate

<http://www.sandburg.edu/Academics/Degree-Certificates/CISCO-Network-Associate/index.html>

The Cisco Network Associate certificate is designed to provide students with technical skills needed to become a network support specialist. This course of study also provides the student with the practical knowledge to successfully take the CCNA certification test.

Admission to the Program: Open

First-Time Enrollees

1. Complete an application for admission and, if desired, apply for financial aid.
2. Send an official high school transcript or GED score report to the Admissions and Records Office.
3. Complete the placement exam.
4. Meet with an advisor/counselor to select classes and complete the registration process.
