The students benefit by paying the resident tuition and fee rates, despite living outside the Community College district.

Additional paperwork will need to be completed in the Student Services office on the Galesburg campus (E100).

Payment of Tuition and Fees

Students may pay tuition and fees in cash, by check, or debit/credit card. The College accepts VISA, MasterCard, Discover, or American Express for tuition and fees payment. Credit card payment may also be used for Phone and Online Registration. Deferment Policy

An interest-free monthly payment plan through Nelnet Business Solutions (formerly FACTS Management Co.) is available. This monthly payment plan enables you to spread tuition payments equally over several months without interest or finance charges. By paying monthly, you limit borrowing and keep the overall costs of education down. The monthly payment plan is available to all families regardless of financial need. There is a minimal enrollment fee to cover administrative costs. The registration for the Monthly Payment Plan will be via the Internet and students must possess either a debit/credit card or maintain a checking or savings account from which to withdraw the payments. Nelnet accepts MasterCard, Visa, Discover and American Express.

Important Note for Financial Aid Recipients – Return of Title IV Policy

Federal financial aid (Title IV student aid) funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive. When a student receiving Title IV student financial aid withdraws from all courses, the aid must be adjusted in accordance with rules established by the U.S. Department of Education. These calculations may result in the student owing an institutional balance. Students who do not complete at least 60% of a period of enrollment may be required to return federal student aid received. These rules apply to both students who formally withdraw from classes as well as students who receive a zero grade point average (GPA) (grades of "W" and "F") for a semester and/or any period of enrollment less than a semester if enrolled in four- or eight-week courses.

The last date of attendance is determined to be the withdrawal date or the last recorded date of activity as documented by the institution. If the student ceases attendance without providing official notification of withdrawal to the institution, the mid-point of the payment period or period of enrollment, or the last recorded day of activity will be the withdrawal date for the purpose of returning Title IV funds. A copy of this policy is available in the Financial Aid Office. If you have any questions about how this law may affect you, please contact the Financial Aid Office prior to withdrawing from the College.

Obligations to the College

Students must meet all financial obligations to the College and return all materials owned by the College before they will be allowed to re-register and to receive grade reports, diplomas, certificates, and transcripts. If you should have any uncollected balances, we may use any and all means necessary to collect this debt in accordance with state and federal laws.

Financial Assistance

Carl Sandburg College participates in federal, state and institutional financial aid programs to assist students in meeting the costs of higher education. Financial aid is available in the form of grants, loans, scholarships and work study.

4. Monitor your Financial Aid status at mySandburg/Self-Service Menu/MyFinancialAid/Financial Aid Self Service and your Sandburg email account.
5. Complete and submit any Required Documents on My Financial Aid.
6. Continue to monitor your mySandburg account for additional requests. Once processing is complete we will email your Sandburg email account and post your award letter on Financial Aid Self Service.
7. After your award letter has been posted, you may apply for a student loan if it shows you are eligible. To apply for a loan, complete the three steps found under 'Apply for Federal Student Loan'. (<http://www.sandburg.edu/Services/Financial-Aid/Loans>)

Standards of Academic Progress

Students receiving financial aid are required to meet Satisfactory Academic Progress (SAP) standards according to federal and state regulations. Academic records are reviewed for all students receiving financial aid and those being considered for financial aid from the following sources: Federal Pell Grant, Federal Work Study Program, Federal Supplemental Educational Opportunity Grant, Illinois Monetary Award Program (MAP), Federal Direct Parent PLUS Loan, and Federal Direct Stafford Loan (Subsidized and Unsubsidized). The student's status is evaluated at the end of each semester.

Students will be considered to have an eligible SAP status if they:

- Maintain a cumulative grade point average (GPA) of 2.0 or better
- Satisfactorily complete 67% or more of credit hours attempted
- Graduate within 150% of the credit hours required to complete the student's program

A student who has not met the minimum GPA requirement of 2.0 or higher, or has not completed the minimum credit hours will be assigned a classification of Financial Aid Warning for one semester. If a student does not meet SAP requirements at the conclusion of the Financial Aid Warning semester, the student will be placed on Financial Aid Dismissal. A student on Financial Aid Dismissal is no longer eligible for financial aid.

A student who is on Dismissal can regain eligibility for financial aid by fulfilling one of the following conditions:

1. Eliminate all academic deficiencies by completing the number of credit hours necessary, at the student's own expense, to meet the 67% completion requirement and attain the minimum 2.0 cumulative GPA.
2. Submit an appeal for reinstatement of financial aid.

- Students who appeal may be granted an Academic Improvement Plan where they can continue to receive financial aid to complete their program as long as they meet the terms of the plan.

Academic Improvement Plan

Students who appeal and who need more than one semester to complete their academic goals, may be reinstated under an Academic Improvement Plan. This plan requires that students meet the following stipulations each semester until they attain good standing:

- Successfully complete 75% or more of credit hours attempted each semester
- Obtain a semester GPA of 2.2 or higher each semester

Students who fail to meet any of the above requirements while under the Academic Improvement Plan will be placed on Dismissal.

The complete SAP policy, including examples, is available on the College website or by visiting the Financial Aid Office.

Developmental Hours

A student is limited to 30 developmental credit hours while receiving financial aid. Federal financial aid will not cover any developmental courses taken after the student has reached the maximum 30 hours. Developmental courses are below 100. For more information contact the Financial Aid Office at 309-341-5283.

Repeated Courses

Students may receive financial aid for repeating courses where they received a grade of 'W' or 'F'. Financial Aid can be used one time to repeat a previously passed course. For Satisfactory Academic Progress status, each repetition will count toward the enrolled hours; however, only the course(s) being counted in the GPA calculation will be counted in completed hours for SAP.

Note: All information is subject to change based on changes to federal law, regulation, or College policy and procedure. If changes are made, students must abide by the new policy.

Carl Sandburg College evaluates all loans on a case-by-case basis. Federal regulations allow an institution to refuse to certify a student loan or certify a loan amount that is less than the student's determination of need. Students will be notified in writing of the institution's decision. Carl Sandburg College will not discriminate against any borrower or applicant in obtaining a loan on the basis of race, national origin, religion, sex, marital status, age, or disability status. Loan checks are distributed 30 days after each semester begins. Students who are placed on Financial Aid Warning or Dismissal may be denied student loans.

With a Subsidized Direct Loan, no interest accumulates and no repayment is required as long as the student is enrolled in college at least half-time. Students have six months after they drop below half-time before repayment is required and interest begins to accrue. To find out the current interest rate, please go to <https://studentaid.ed.gov/types/loans/interest-rates>.

Other Programs

Federal Work-Study Program (FWS)

These federal funds are awarded to students interested in working to help meet their financial need. An FWS award allows the student to work on campus to earn money. An award does not guarantee a job will be available or that the student will earn the entire award.

FOREVER GI BILL - HARRY W. COLMERY VETERANS EDUCATIONAL ASSISTANCE ACT OF 201

The President signed into law the Harry W. Colmery Veterans Educational Assistance Act also known as the "Forever GI Bill," which will bring significant changes to Veterans education benefits. The law is named after the American Legion national commander who wrote the original GI Bill language in 1944, and will allow more Veterans to use the GI Bill and more time to use it. Some of the changes will go into effect immediately, most will not. The majority of the changes enhance or expand education benefits for Veterans, Service members, Families and Survivors. For more

information, visit the US Department of Veteran Affairs - Forever GI BILL at <http://www.benefits.va.gov/GIBILL/ForeverGIBILL.asp>.

All others remain subject to the current 15-year time limitation for using their Post-9/11 GI Bill benefits.

Monthly Housing Allowance

The law requires the monthly housing allowance (MHA) under the Post-9/11 GI Bill program to be calculated based on the zip code of the campus where the student physically attends the majority of classes, rather than the location of the institution of higher learning where the student is enrolled. This applies to the first enrollment in an educational program on or after August 1, 2018. Carl Sandburg College in Galesburg zip code is 61401 and in Carthage is 62321

The Montgomery GI Bill, Active Duty, Chapter 30

Veterans who possess an honorable discharge may be eligible to receive up to 36 months of educational benefits through this program. Carl Sandburg College Standards for Veterans' Satisfactory Progress

Carl Sandburg College students who are receiving federal educational benefits through the Veteran's Administration (VA) must make Satisfactory Progress in order to continue receiving benefits. This applies to Illinois Veteran's Grant (IVG), National Guard (NG), Chapter 30, 31, 33, 35, 1606, and 1607 benefits.

VA Satisfactory Progress requires the student to maintain a cumulative GPA of 2.0 or greater after their first semester of attendance. Students who fall below a 2.0 GPA will be placed on Warning. Students on Warning will have one semester to raise their cumulative GPA so that it satisfies the requirement. Students who do not satisfy the cumulative GPA after the warning period will be placed on Carl Sandburg College VA Dismissal and will no longer qualify for VA educational benefits.

Students will go back to satisfactory status when their cumulative GPA rises to a 2.0 or above. Students placed on Carl Sandburg College VA Dismissal may file a written appeal to reinstate their benefits for an additional semester. Appeals are to be completed by the student and returned to the Coordinator of Veterans & Military Personnel Student Services in the Financial Aid Office. Appeals will be reviewed by the Veterans satisfactory progress committee within 30 calendar days. Students are encouraged to file their appeals early to avoid disruption in benefits.
